

"DIGITAL PARENTING MADE EASIER"

Remember - by default, WhatsApp will automatically set privacy settings to allow any WhatsApp user to view read, last seen messages and profile photo and status. If you don't share your last seen info, you won't be able to see other people's last seen info.

GOOD POINTS

1.

BAD POINTS

1. Cyberbullying is prevalent in Whatsapp, most commonly in group chats.
2. Your personal information is at risk if you add contacts you don't know.
3. Sending indecent images via Whatsapp between young people is becoming common
4. Exposure to racial or graphic content is a risk when messaging people, as they may share anything, they find from the web straight into the chat
5. There are more than 2 million fake accounts removed every month
6. Children can easily lie about their age and sign up to Whatsapp at any age.
