

SIMS PARENT APP

The new Parent App – easy access to important school information

We have a convenient new way to share information with you about your child's school life. From Wednesday 2nd September 2020, you'll be able to access our new parent app and website.

You can access the system from a smartphone, tablet or PC – anytime, anywhere.

What you will find in the SIMS Parent app:

- Important information such as homework, school terms, inset dates and contact details available at the click of a button
- Notifications to remind you about important information such as key dates for your diary
- If you have more than one child at school, you'll have access to information for all your children, from the same app.

The information that you receive through the app will help you to stay up-to-date with your child's school life as well as support your child's development and progress.

Getting started with the SIMS Parent app

1. We will send you an activation e-mail on 2nd **September**, simply click on the link from your tablet, PC or smartphone to activate your account.
2. You can then login using your normal **Facebook, Twitter, Google** or **Microsoft** username and password.
3. From your smartphone or tablet, download the app from the Google Play or Apple App store - search for **SIMS Parent**.
4. From a PC or Windows phone, login online at www.sims-parent.co.uk

Please note that your activation email is unique to you and should not be used by anyone else. If you require an additional login then please contact your school.

Your activation email will expire after 14 days if it is not used, please contact your school if you require a replacement after this date.

Yours sincerely,

Dr A. C. Howson
Deputy Headteacher
