

Would you have kept your child at home before COVID-19?

YES

KEEP YOUR CHILD AT HOME

YES

KEEP YOUR CHILD AT HOME

Phone 111 or go to www.gov.uk/coronavirus to arrange a test. Your household must self-isolate until you have the results.

YES

if you haven't already had contact with them, speak to your child's specialist team about testing criteria

NO

Do they have:

1. A new continuous cough?
2. A high temperature above 38c using a thermometer?
3. A complete loss of, or change of sense of smell or taste?

NO

Does your child have a chronic underlying medical condition such as Cystic Fibrosis?

NO

Children who are otherwise well but who have:

- runny noses
- sore throats without a high temperature
- mild colds

Should go to school as normal

Negative result
Your child can return to school immediately if they are well enough

Positive result
Your child must isolate for a further 10 days from when they were tested
