

LFT testing in January – information for parents (to be read in conjunction with Mr Quinn’s letter sent on 13/12/21)

Tuesday 4th January – LFT tests for Y11, Sixth Form and Y10

Timetable for the day – please ensure that your child has registered in the Hall (Y11 and Sixth Form) or the Drama Studio (Y10) at these times.

Details for Y11 and Sixth Form

Students in Y11 and the Sixth Form should come to the Hall initially to register. From there, they will be asked to go to the Gym for their test. They will return to the Hall to wait until their test result has come through. See map below:

Details for Y10

Y10 students will come in for their test (register in the Drama studio, as you did in September) and then leave the site straight away.

Testing arrangements for Y10
Students in Y10 will test and then go home straight away (no need to wait for the 30 minutes – we will contact parents if there is an issue).

On arrival, you will be met by a member of staff near the roundabout. They will direct you to park in one of the three parking areas (blue, orange or yellow on this map). Parents should stay in the car; students should walk along the red arrow to the Drama studio.

You will register with a member of staff in the Drama studio. When ready, you will be sent up to the Gym, which is where the LFT test will take place. Once finished, you will leave the Gym and return the same way and go back to meet your parent (or walk off site). Please leave promptly.
