Dear Parents and Carers

I write to invite you to the Year 9 Courses and Information Evening on Tuesday March 1st 2022.

The evening will begin at 7.00pm with a welcome and introduction by the Headteacher. There will then follow a series of short presentations by subject staff in the JP2 Block. These presentations are an opportunity to find out more about the courses that are on offer at GCSE. During the evening there will also be the opportunity for you to meet with subject staff and members of the Senior Leadership Team, who will be able to address any queries you may have.

You should receive a copy of the Year 9 Options booklet with this letter; please read and discuss this with your child in advance of the evening. You will be able to download another copy of the options booklet from the website.

A copy of the programme for the evening is on the reverse of this letter. Please bring this with you on March 1st – this should ensure that you are able to make the best use of your time during the evening.

I look forward to seeing you at the Courses Evening on the Tuesday 1st March.

Yours sincerely

Dr A C Howson
Deputy Head
