Dear Parent/Carer of students in Year 8,

Year 8 Parents' Evening Consultation: Thursday 20th October 2022

This letter is to provide you with details/instructions for Year 8 parents' evening, which will take place on Thursday 20th October.

We will continue to conduct parents' evenings online this year. The software used allows for appointments to be made by parents online in advance of the event; the same software is then used to complete the video calls on the evening – it is the same software as last year.

The evening will run from **16:30-20:00**, with 5-minute appointments for each subject. Before the booking system goes live to parents, staff will have indicated the three-hour slot for which they are available. Staff have the choice to complete the calls in school or from home. Staff staying in school are likely to make themselves available 16:30-19:30; staff choosing to do the calls from home might opt to start later.

As previously stated, staff can complete the appointments from school or conduct them from home; they have been given clear guidance on how these calls are to be conducted. We would ask that parents consider these calls to be the same professional conversation that you would have in a normal face-to-face meeting. As such, we would ask that parents and students remain on camera for the duration of the call and that no-one is participating off camera. We would ask that you select an appropriate location, free from potential interruptions and noise and that all participants are appropriately dressed for the meeting.

To help students and parents/carers prepare for Parents' Evenings, students are being asked to show the work in their exercise books to their parents/carers, where practical, for given subjects but also look at their record on Class Charts. Some of the work that you can look through could be on Teams or Class Charts, rather than in exercise books. It is hoped that this will create a dialogue at home about the work and progress made by the students, as well as help families prepare for more constructive discussions with teaching staff at the Year 8 evening on 20th October. To facilitate this, no *written* homework will be formally set for Year 8 students in the week commencing 10th October; the task instead will be to bring home and share their books/work on 'Teams' and discuss their record on Class Charts.

On page 3, I have provided instructions for how you book the appointments. The system links to our SIMS data system and will allow parents/carers who are 'priority 1' and 'priority 2' on our records to make the appointments. **The window to make the appointments will be 21:00 on Monday 3rd October to 12:00 on Thursday 20th October.** I would urge parents to perform this task as soon as possible – if there any issues with access, it will give me more time to resolve them.

(continued)

The focus of this evening will be academic subjects, so we would ask that you do not attempt to make appointments with your child's tutor. Tutors are Year 8 teachers themselves, so they need to be available for those parents. Please use the email facility to communicate with your child's tutor if there are any pastoral concerns. However, if your child has SEN, you are encouraged to make an appointment with our SENCO, Mrs Rowsell, in order to discuss current provision and any concerns you may have.

We have invited Lee Haywood from Online Safety UK - www.onlinesafetyuk.com to join the Year 8 parents' evening. If you have any questions or concerns around Online Safety, he can be booked like any of the other teachers on the evening if you wish to speak to him. Booking a slot with Online Safety UK will give you the opportunity to talk about anything that is currently concerning you in relation to the digital world, whether it's phone setup, behaviours, restrictions, dangers, attitudes or more - with the opportunity for follow up material and conversations going forward. Please check carefully, as if you book 'automatically' in the system you will book an appointment with him. 'Uncheck' him if you do not wish to make an appointment with him during the booking process.

Please contact the subject teacher or Mrs Cunningham (Head of Year 8) if there are any queries that you might have following the conversations on the evening.

We will send you a reminder email just before the event; there will be an online survey link in that email too. We would appreciate it if you could find the time to complete it.

I hope that these instructions are clear. If you have any difficulties, or any questions relating to this event, please do not hesitate to contact me – m.bamford@oaklandscatholicschool.org.

Yours faithfully,

Mr M Bamford

Assistant Headteacher

Step 4: Choose Teachers

If you chose the automatic booking mode, drag the sliders at the top of the screen to indicate the earliest and latest you can attend. Select the teachers you'd like to book appointments with (your child will know who to make appointments with if they have shared teachers for a class). A green tick indicates they're selected. To de-select, click on their name.

Confirm Appointment Times

The following appointments have been reserved for two minutes. If you're happy with them, please choose the Accept button at the bottom.

Teacher	Student	Subject	Room
Mr J Sinclair	Ben	English	E6

Preparing for the evening – the actual video calls

Having made the appointments, you will not need to log in to the system until just before the time of your first video appointment. In order to make video calls you need to have as a minimum:

- a device with a microphone and speaker
- a compatible web browser:
 - iPhone/iPad:** Safari
 - Android:** Chrome or Firefox
 - Windows:** Chrome, Firefox or Microsoft Edge
 - Mac:** Safari, Chrome or Firefox
 - Linux:** Chrome or Firefox

The company also recommends:

- Using your smartphone for video appointments. If you don't have a smartphone with a front-facing camera, use a laptop or computer with a webcam.
- Using a headset (or earphones with a microphone) to reduce echo (but we had no problems in tests events just using laptops/phones without a headset).

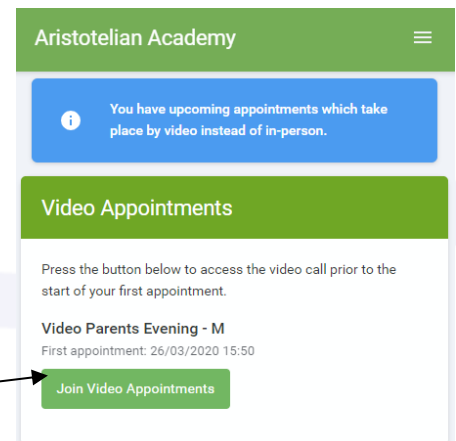

It might be worth giving yourself a few extra minutes to ensure that you are ready to take the first of your calls.

How to attend your appointments via video call

1. Log in and go to the Evening

On the day of the video appointments, login to Parents Evening <https://oaklandscatholic.schoolcloud.co.uk>, or click the login link from the bottom of the email confirmation you will have received.

Once logged in you will see a notice that you have upcoming video appointments and under this the details of the event, along with a *Join Video Appointments* button. This will become available 60 minutes before your first appointment.

2. The Video Call screen

When you click *Join Video Appointments* the video call screen will be displayed. You may at this point be asked if you wish to allow access to your camera/microphone, in which case please click yes.

On this screen you can see the following:

- At the top left the teacher name (and subject details) for the current and next appointment
- At the top right a countdown to the start of the appointment.
- At the bottom the controls for the microphone and camera (once a teacher is available or you are in a call these also show a pick up and hang up button).
- In the middle, when your appointment is due to start, the *Start Appointment* button.

3. Making a call

Click the *Start Appointment* button. You will see yourself in the bottom right corner of the screen (unless you have no camera). If the teacher has not yet joined you will see a notice to that effect in the centre of the screen.

When a teacher joins a call, you will see them in the main part of the screen and can start your discussion with them.

You will also see the remaining time for the appointment counting down in the blue bar at the top of the screen.

If you lose access to the system for some reason during the call, log in again and click *Start Appointment* on the video call screen. As long as the teacher is still in the call this will let you continue with the appointment (this is the same for the teacher if they lose their access).

When the countdown in the blue bar stops the appointment time is over and the call will automatically end.

Note that if you or the teacher are late, or leave and re-join the call, it does **not** reset the timer.

The appointment will always end at the scheduled time.

4. Follow on calls

If you have a consecutive appointment scheduled the screen will display a *Start Next Appointment* button. When you are ready to proceed, click on it. **Note** that if you delay starting a call it does **not** extend the duration for that appointment. The appointment will always end at the scheduled times.

If you do not have a consecutive appointment, but you have not completed your final scheduled appointment, you will see a countdown telling you how long until the start of your next appointment.

Video appointments are now finished

Once your final appointment for the evening is complete, you will see a message advising you of this.

Parents in two locations

A recent addition is the ability to invite someone else to join your call – e.g. if parents are in two locations. Full instructions for how to do this are provided here - [Video: Parents - invite another parent/guardian to join your appointments - SchoolCloud Parents Evening \(parentseveningsystem.co.uk\)](#)
