## **FINANCIAL POLICY STATEMENT**

### **1.0 Aims**

This document is to be adopted by the Local Governing Bodies of all academy schools within the Edith Stein Catholic Academy Trust (ESCAT) as the basis for the stewardship and management of finances delegated to it by the ESCAT Directors. The aim of the policy is to create a framework within which individual members of staff, Governors, Directors and other interested parties, can exercise financial management in an efficient and effective way in accordance with the financial practices and procedures laid down by the DfE and ESFA.

### **2.0 Overall Financial Management**

2.1 The Company Directors of the ESCAT are also its trustees. This policy refers to them as trustees, in recognition of the charitable status of the trust. Trustees will manage their affairs in accordance with high standards of Public Sector and Charitable Trust administration, based on the seven principles of public life, which are:-

- a. Selflessness - Holders of public office should act solely in terms of the public interest.
- b. Integrity - Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.
- c. Objectivity - Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.
- d. Accountability - Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.
- e. Openness - Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.
- f. Honesty - Holders of public office should be truthful.
- g. Leadership - Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

2.2 Trustees will have regard to:-

- a. The required standards of financial management as set out in the ESFA Academy Trust Handbook also known as the Academies Financial Handbook.
- b. The ESCAT Manual of Financial Practice and Procedure, approved by the ESCAT Board of Directors, which sets out the financial relationship between the ESFA and each academy school in the trust. It contains requirements relating to financial management and associated issues but in no way supersedes the requirements set out in the latest version of the ESFA Academy Trust Handbook or the funding agreement between the DfE and the ESCAT.
- c. Advice and guidance relating to the financial performance of academy schools arising from the work of the Catholic Diocese of Portsmouth, OFSTED, the ESFA, the ESCAT's appointed auditor and other interested parties.
- d. Letters to the Trust's Accounting Officer from the ESFA's Accounting Officer must be discussed by the ESCAT board with action taken to strengthen the trust's systems.

- e. The appointment of the external auditor and internal scrutineer for the Trust in accordance with the Academy Trust Handbook
- f. Ensuring that the central overhead costs of running the trust and any centralised services provided are identified and charged fairly to each individual academy school within the trust.
- g. Ensuring that their decisions about levels of executive pay follow a robust evidence-based process and are reflective of the individual's role and responsibilities.
- h. Ensuring that novel, contentious and/or repercussive transactions must always be referred to ESFA for explicit prior authorisation.
- i. The delegated authority to approve individual staff severance payments provided any non-statutory/non-contractual element is under £50,000 gross (i.e. before income tax or other deductions). Where the trust is considering a non-statutory/non-contractual payment of £50,000 or more, (gross, before deductions), ESFA's prior approval must be obtained before the trust makes any binding settlement offer to staff.

### **CHARGING AND REMISSIONS POLICY**

<b>APPROVED BY TRUSTEES</b>	<b>October 2022</b>
<b>SCRUTINISED BY LOCAL GOVERNING BODY / LOCAL GOVERNING BODY SUB COMMITTEE</b>	<b>October 2022</b>
<b>DATE LAST REVIEWED</b>	<b>September 2022</b>
<b>MEMBER OF STAFF RESPONSIBLE</b>	<b>Chief Financial Officer</b>
<b>STATUTORY / NON-STATUTORY</b>	<b>Statutory</b>

## 1.0 Introduction

- 1.1 The Edith Stein Catholic Academy Trust (ESCAT) (The Trust) recognises the valuable contribution that the wide range of additional activities, including clubs, trips and residential experiences can make towards our students' spiritual, personal and social education. This is key in meeting the mission of each individual academy school.
- 1.2 The Trust aims to promote and provide such activities both as part of a broad and balanced curriculum for the students of each academy school and as additional optional activities.

## 2.0 Definition

- 2.1 In the light of the Education Reform Act 1988, the Trust is required to publish their Charging and Remissions Policy.
- 2.2 The Act clearly outlines the activities for which an academy school may make a charge and therefore the Trust reserves the right to make a charge for following activities organised by a School within the Trust

## 3.0 Activities in School Hours (\*See Note Below)

- 3.1 The board and lodging element of the following residential courses:
  - Sixth Form residential Field Trips for example Geography and Biology
  - Sixth Form, Year 11 and Year 10 Residential Visits
  - Year 9 Camp
  - Year 8 to St Aignan
  - Year 6 Residential
  - Any other similar residential course
- 3.2 The full cost to each student of the following activities deemed to be optional extras taking place outside school

*NB: Trips such as a ski trip and Study Trips to Europe fall outside school hours, but is also organised by a third party (i.e. a tour operator). These trips are not affected by the Act's requirements and the full charge may be made by the third party.*

## 4.0 Voluntary Contributions

- 4.1 In the case of activities deemed to take place during school hours, where the Trust may only make a charge for the board and lodging element or no charge at all in the case of a day trip – then voluntary contributions may be requested.
- 4.2 The Trust would wish to emphasise that there is no obligation for the parents to contribute and that no student would be omitted from the activity because his/her parents are unwilling or unable to contribute. **However the Trust would wish to make it equally clear that activities such as but not limited to those listed below would not take place if parents were reluctant to support them through voluntary contributions:**
  - Year 5/6 Residential week
  - Year 9 Camp

- St Aignan
- All Activities in Challenge Week
- Other Residential Visits

## **5.0 What is meant by inside or outside school hours?**

5.1 When an activity takes place partly during and partly outside school hours, the following method is used for calculating whether, according to the Law, the activity is deemed to take place during or outside school hours.

- **Non-Residential Activity:** Where more than 50% of the time spent on the activity falls during school hours, the activity is deemed to have taken place inside school hours, e.g. Day trip to Cherbourg.
- **Residential Activity:** A trip which starts at noon on Wednesday and finishes late on Sunday (9 half day sessions including 5 school sessions) is deemed to take place during school hours.
- A trip which takes place on Thursday lunchtime and finishes on Sunday evening (7 half day sessions including 3 school sessions) is deemed to take place outside school hours. (Parents are reminded that there are 2 school sessions per day: am and pm)

## **6.0 Individual Instrumental Tuition**

6.1 Parents requiring instrumental tuition for their children will be required to make a contribution to the overall cost. Under the Charges for Music Tuition (England) Regulations 2007 students who are looked-after are entitled to instrumental and vocal tuition without charge. The Trust is resolved to ensure that Musical Tuition continues within schools, however the cost of tuition to each school has to be sustainable. The Trust reserves the right to make reasonable adjustments to the charges for tuition to ensure the service is sustainable.

## **7.0 Charging in Kind**

7.1 The cost of materials, ingredients, equipment (or the provision of them by parents) for the following subjects:

- Food Technology
- Design Technology
- Art & Design.

7.2 The Trust may charge for ingredients and materials or require them to be provided if the parents have indicated or it is understood in advance that they wish to own the finished product.

## **8.0 Examination Fees**

8.1 GCSE / KS4 qualification and GCE / KS5 qualification initial registration and entry exam fees are paid by the school. Students re-sitting GCSE papers by following a year's course during Year 12, and students returning to repeat their A2 level studies in 'Year 14' will have their registration and entry exam fees paid by the school.

8.2 Where an external candidate has not been prepared for a prescribed public examination by the school, the Trust may make a charge for the cost of entering the student

- 8.3 The Trust may also make a charge for students sitting non-prescribed examinations whether or not prepared by the school. Examples include:
- Entrance fees for re-sits where the decision to re-sit is not supported by the subject Department in question.
  - Entrance fees for a subject a student is studying elsewhere.
- 8.4 Reimbursement will be sought from candidates who fail to sit an exam or meet the necessary coursework requirements. This will be pursued in writing to the candidate and their parent/carer.

## **9.0 Copies of Pupil Records**

- 9.1 In accordance with the guidance under the Data Protection Act and under the Education (Pupil Information) (England) Regulations 2005 copies of pupil's records may be requested, either by a pupil or by their parent or guardian through a Subject Access Request (SAR).

## **10.0 Additional Tuition**

- 10.1 Occasionally during the year, a school may engage the services of professional groups to enrich and extend the opportunities available to pupils. This could involve twilight, holiday or Saturday sessions. These sessions are non-compulsory and families will be asked to cover the costs. If the school deems these to be an integral part of the curriculum relevant to a particular scheme of work they will offer this opportunity to all appropriate pupils and may ask for parental contributions.

## **11.0 Education at other establishments**

- 11.1 The Trust recognises that parents and carers have a responsibility to arrange transport to and from school for their children. In certain circumstances Parents/Carers may apply directly to the LA for subsidised school transport. On occasions opportunities exist for students to seek provision elsewhere for example, 14-19 curriculum or increased flexibility programme. In these cases the liability for the cost of transport remains with the parents/carers.

## **12.0 Breakages**

- 12.1 The Trust may ask parents to pay the cost of breakages to equipment, neglect or vandalism of books, furniture or the fabric of the building where it is reasonable to say that the breakage occurred as a result of vandalism and/or malicious or negligent behaviour.

## **13.0 Remissions**

- 13.1 Where the parents of a student are in receipt of Income Support or Family Credit, the Trust will remit in full the cost of board and lodging for any residential activity for a pupil if the activity is deemed to take place within school hours and where it forms part of the syllabus for a prescribed public examination or the National Curriculum.
- 13.2 However, in the case of a chargeable activity, the Trust will invite parents to apply in confidence for the remission of charges in part or in full. Authorisation of remission will be made by the appropriate Headteacher in consultation with their Chair of Governors.

## **14.0 Text Book Deposits**

- 14.1 Students studying in years 12 and 13 are required to pay a deposit for the text books they choose to use whilst studying at A level. Books will be issued once the deposit of £30 has been paid and will be refunded when the books are returned in a good condition. The deposits will be administered by the Sixth Form Admin team in liaison with the Finance Office and the Head of Sixth Form has the right to refuse the return of any deposit where damage to books has occurred making them unusable. The money from unclaimed deposits will be used for curriculum support.

## **15.0 Lockers**

- 15.1 Students may be allocated a locker on joining in Year 7 for use throughout Key Stage 3 (years 7, 8 and 9) and will be required to pay a charge for the use of the locker. The charge will be used to contribute towards the cost of upkeep of the lockers and normal wear and tear replacements. In Key Stage 4 (Years 10 and 11) pupils will have the option of the use of a locker for which a charge will be made. All students will be required to return their locker key or padlock and key at the end of KS3 or KS4 as appropriate. In the event of a key being lost the Trust reserves the right to make a charge for a replacement key.

## **16.0 Bus Passes**

- 16.1 Students living within the postcode areas of PO7 (Hambleton and Denmead area) and along the Southbourne to Oaklands via Rowlands Castle routes may purchase, via Oaklands Catholic School, an annual bus pass for the 654 and 641 bus services which is a private contract bus service. The Trust reserves the right to charge parents the full cost of this pass except where students are entitled to subsidised travel from the Local Authority.
