Dear Parent/Carer of students in Year 10,

Mock exam papers for Year 10 in January 2024

I will write to you later in the year to inform you of the main exam period for Year 10 students, which is scheduled for June 2024. However, during Years 10 and 11, students sit exams in RE, Maths, English and Science outside of the main exam periods. As such, Year 10 students have English and Maths exams scheduled for Wednesday 24th and Thursday 25th January, which is a school timetable week 2. Details of these exams are provided in the table below:

Wednesday 24th January	Thursday 25th January
Periods 1 and 2	Periods 3 and 4
English Language Paper 2 (1h45m)	Maths Calculator (1h30m)

Subject teachers will provide further information on Teams/ClassCharts about the content of these exams as they approach. Students will go to their normal timetabled lessons on those days when they are not involved in the exams.

The exams will take place in the Hall, although alternative arrangements will be made for students with additional learning needs. I will post the exam seating plans on the Year 10 student 'OCS-Year20Students' Team the day before the exam.

May I take this opportunity to thank you for your support in ensuring your son/daughter prepares thoroughly for these important examinations.

Yours sincerely

Mr M Bamford
Assistant Headteacher
