TEACHER OF HISTORY

Teacher of History

**Initial Temporary Appointment
(Maternity Leave)
Full time**

**September 2025
(MPS)**

**Applications from ECTs
warmly welcomed**

This opportunity is one that I hope will capture your enthusiasm and I would like to thank you for your interest in this post. On our website you will find our vision and strategy for the school. The History department is key to fulfilling this. We are excited about bringing new colleagues into an already fantastic History team who can teach History to GCSE and A Level. When making this appointment we would like to be as flexible as possible.

For ECTs, in their first year, we will provide additional support plus a further reduced timetable.

In this pack I have tried to ensure that you know something about Oaklands and our History Department whilst at the same time making clear that the Governors are looking for an **outstanding History teacher** who can demonstrate **exceptional classroom practice**. The position is initially to cover maternity leave, but may become permanent for the correct candidate.

Towards the end of this the information you will find a link to the Application Form issued by the Governors regarding the post.

If you are a Catholic you will understand the distinctiveness of Catholic schools such as Oaklands and this will be attractive to you. **You do not have to be a Catholic to work at Oaklands;** the Governors welcome applications from candidates of differing faith backgrounds or none who can be supportive of the school ethos.

History has a high uptake at GCSE and is popular post-16. The team consists of six staff, many of whom teach all key stages. The Department is grouped in a suite of rooms and all classrooms have interactive white boards. Sixth Form teaching occurs in a dedicated Sixth Form block.

**Oaklands Catholic School
and Sixth Form College**

THE ROLE

As a large and successful subject, the Department has a generous allocation of curriculum time.

Students go on from Oaklands to study History and related subjects at university.

Staff are committed to being at the leading edge of teaching and learning providing a first class experience for Oaklands students. For staff, a friendly and supportive environment helps ensure that classroom activities are of the highest quality. Teaching is informed by a strong culture founded on the knowledge of the student.

Oaklands offers a wide range of extra-curricular and support activities. Most staff offer something outside of their subject discipline. The successful candidate will be expected to contribute to the extra-curricular life of the school.

In addition to the delivery of History, the successful candidate must have relevant and up-to-date knowledge in relation to working with and protecting children and young people.

All staff at Oaklands are expected to display a commitment to the protection and safeguarding of children and young people and complete an enhanced DBS check.

I hope this information is useful. However, if there is any further way in which I can be of assistance, please do not hesitate to contact me at the school.

Please note that the school reserves the right to appoint at any point during the recruitment process.

We look forward to receiving your application for this important appointment.

Yours sincerely

Matthew Quinn
Headteacher

OUR JOURNEY

Oaklands is a Catholic Academy taking in boys and girls from 11-18, which has been established by the Diocese of Portsmouth for the education of Catholic children who live within the designated parish catchment area allocated to the school. In addition, Oaklands also takes in a number of children from other Christian denominations whose parents have specifically requested a Catholic education at the School, provided that they satisfy the criteria laid down in the Governors' Admissions Policy.

Oaklands has over 1,300 students on roll, including a Sixth Form College of 220 students. It is a well established comprehensive school, which is well supported by parents and highly respected in the community. Oaklands offers a full range of GCSE, and A Level courses. Students at all levels are provided with challenge and support as appropriate. The school's success is rooted in a strong academic tradition.

Oaklands was one of the first Catholic Academies in the country, converting as a single Catholic Academy Trust in 2011. Corpus Christi Primary School joined the Trust in 2021.

The school is part of a soft federation; working closely with other local schools, which provides an opportunity to share expertise and resources.

We are also part of the wider Edith Stein Partnership working closely with other local Catholic schools across primary and secondary phases.

The school will provide you with significant opportunities to help you develop your career so that you can eventually move on and up from the role of Classroom Teacher.

We are on an exciting and imaginative journey; creativity is at the heart of the school's approach, resulting in innovative approaches to:

- teaching and learning – encouraging questioning, reflection and challenge
- literacy and numeracy – using all subjects to develop these core skills
- curriculum design – establishing a common approach to assessment
- use of data – supporting individual progress and personalising learning
- growing school of leaders – developing leadership at all levels
- School Improvement – empowering staff to take responsibility for areas of change

The school stands within attractive and extensive grounds including woodlands and playing fields. Well-equipped specialist facilities are provided for all areas of the curriculum and in recent years the school has undergone major refurbishment.

PASTORAL CARE

The aims of the school emphasise the importance of each student as an individual and the need to focus on and promote the spiritual, moral, intellectual, physical, social, personal and cultural development of each person entrusted to our care. To this end, the community endeavour to create a Christ-centred learning community whose primary aim is to ignite a passion for faith and learning.

At Oaklands we recognise that students have special and different gifts, we aim to develop them in a climate where they can be shared and personal achievement can be maximised, where difference is not just tolerated but celebrated. Students need to work within an environment where they can develop their unique God given gifts and feel lovable, loved, capable and valued members of the community. This occurs within a warm and caring safe and open environment in which all children can grow in confidence and trust, and achieve their true all round potential.

The successful pastoral system at Oaklands is built on the strong partnership between the school, home and parish enabling each student to flourish. We believe that parents have a key role to play in the education of their child. The Year Head and Form Tutors, through the pastoral curriculum at Oaklands,

emphasise with students the importance of self-discipline and responsibility and also the importance of care, concern and respect for each other.

The school also recognises its responsibility to foster a Christian atmosphere, to equip the young students in its care to face the adult world with confidence and to play a responsible part in a society which is rapidly changing and holds a variety of different standards. This confidence is shaped through a deep understanding of the relationship between faith and culture. Students are encouraged to further their faith journey. To this end Religious Education, Form and Year Assemblies, Year Masses and Liturgical services, full School Masses, Residential Experiences and Community Service are all important aspects in the life of the school.

The Chapel is a focal point the school's spiritual life. Oaklands is also fortunate enough to have a full-time Chaplain.

At Oaklands extra-curricular activities are an essential part of a young person's development and all students are encouraged to profit from the wide range of activities on offer. Whatever their talents and abilities, there are opportunities to succeed.

STAFF PROFILES

Maths Teacher Jodie Beauvoisin

My teaching journey started with my first phase of training at Oaklands. I was so drawn in by the school that I decided to come back and take a position in the Maths Department here which I started in 2019.

The thing that most made we want to teach at Oaklands is the sense of community. Every member of staff here is supportive of each other and supportiveness is the most valuable trait you can ask for as an NQT. This culture of support and treating everyone with kindness extends to the students who are polite and respectful to each other and their teachers and in return, staff do everything they can to look after them when they are in need. I attribute this culture to the Catholic ethos of the school instilling a framework of morals where community is the heart.

In 2022, I was awarded a TLR for developing the Maths contribution to STEM Learning across the school and for the last two years I have led a Mathematics Experience Residential Trip to Disneyland Paris.

I look forward to continuing my teaching career at Oaklands, hopefully taking on more responsibilities in the future, and learning new ways to make young people excited about Maths and learning.

English Teacher Maddy Woods

I started working at Oaklands as an NQT English teacher in 2019, and I feel extremely fortunate to work here.

After completing a degree in English Literature at the University of Southampton, I immediately went on to complete a School Direct PGCE, knowing straight away that teaching was the career path I wanted to follow.

As an English teacher at Oaklands, I am surrounded by a superb department of intelligent, dedicated professionals with an infectious enthusiasm for our subject and the way it is taught. I also have the privilege of teaching English Literature A Level—which has always been an ambition of mine—so I feel pleased to have been afforded this opportunity so soon into my career.

In 2023, I was appointed as Key Stage 3 Co-ordinator in English and was awarded a TLR.

Of course, the main highlight of teaching at Oaklands has to be the wonderful students I get to work with each day. Despite the inevitable challenges and hurdles that come with teaching (as with any career!), the students always provide me with a reason to smile or laugh at the end of each day. This, along with the supportive staff community, means that coming to work always feels enjoyable. I would encourage anyone considering applying for a position at Oaklands to go head – you will certainly not regret it.

Head of History Hayley Short

I started teaching at Oaklands in 2019 as an NQT. As a new teacher to this profession, I was positively welcomed to the school and to the community Oaklands provides. Not only this, it was a brilliant school to help me develop as a newly qualified teacher, as I was able to learn alongside highly skilled and experienced colleagues. Although new, I was trusted with responsibilities within our History Department which helped me develop my skills within and outside the classroom.

In 2023, I was given additional responsibilities as a Lead Pastoral Practitioner, working with KS4 Heads of Year to develop and promote positive student behaviour patterns. Within our thriving History Department, my ideas and training have been strongly encouraged and since September 2024, I have been very much enjoying my new role as Head of Department. I can see myself working here for many, many years to come.

I really enjoy working in a Catholic School, the sense of community is unique, and ensures that you are working in a positive and caring environment; the importance and impact of faith on the lives of young people, ensures that our students not only learn academically but also morally. Our schools' traditions ensure that this school is so special. Our students are fantastic, and make me thankful to be a teacher.

If you would like to work here, you will be welcomed into our community and will be able to work in a lovely, wonderful school! I would recommend this to anyone.

AND FINALLY

What about those **FOUR** reasons why this role might not be for you?

The match of your skills and experiences to our needs is not a good fit

Come and visit us, read the pack, phone Matthew Quinn, Headteacher, and find out if the match is better than you think. The school is interested in appointing colleagues who have the capacity to grow and develop into roll.

You are anxious about coming into a Catholic school (don't be)

Again come and visit us, experience our community and talk to staff about their experience. The majority of staff at Oaklands are not Catholic.

You have not taught in a school from KS3 –KS5

If you are not ready for this then we still want to hear from you. Most of our best staff had no Sixth Form experience before coming to Oaklands but with training and development, over time they gained the experience.

You feel you might not be ready to work in a high performing department

If you are still reading, then you probably are.
