Dear Year 11 Parents and Carers

Welcome back to a new school year. I am sure both parents and students alike understand the significance of this year; in eight short months your children will be sitting their GCSE examinations.

Our aim over this year is to work with you, the students' parents and carers, to ensure that our young people achieve, not only academically, but also develop the skills and attributes which are essential to success in later life.

Before looking ahead, I want to congratulate students for how the vast majority approached their work experience placements at the end of Year 10. I have received many good reports from employers. Our students were a credit to their families and the school, well done! I also want to recognise the work the Student Leaders have undertaken early this term; they have shown great leadership in their positions of responsibility.

Undoubtedly, Year 11 is an important stage in your child's education, the better the outcome next summer, the greater the choice they will have post-16. This is the reward I know they would all wish for. In order to achieve this, it is important that we work together, we have high expectations of the students at Oaklands both academically and personally as I know you will too. I have outlined below some of the reminders of these.

Expectations

Attendance

Good attendance and punctuality are vital throughout Year 11. It stands to reason that if students are not in school, they cannot be learning. The analysis of results this year shows a strong correlation between outcomes and attendance; every day matters. Even having only a few days off in Year 11 can, on average, lead to a drop of one GCSE grade per subject. Therefore, you should not take holidays during this academic year, and where possible, please do not make appointments during the school day. Furthermore, resilience should be developed, and students with minor illness should be in school.

Learning Behaviours

To ensure the best possible learning environment and therefore outcomes for our students, we naturally expect outstanding behaviour in lessons; to their credit most students behave very well. However, any behaviour that disrupts the learning of another, be that through disruption in the classroom, or attending lessons late will not be tolerated.

Students involved in such behaviour can expect to be removed from their normal classroom. The school has set aside increased provision for after-school detentions. We also have reciprocal arrangements where we can place students in other Havant Federation schools.

Uniform

Please ensure your child is dressed correctly and adheres to the policy related to make-up and jewellery. Items that should not be found in school will be confiscated. It is important that learning is not lost trying to resolve uniform, make-up and jewellery issues. As the most senior students in main school, we look to Year 11 to set a positive example to lower school students.

In addition to this letter, students in Year 11 have had an expectations assembly, so that all are clear what is expected from them. Your support in helping reinforce this is central to this process.

Year 11 Celebrations

I am sure that your child is already talking about the Year 11 Prom; I know I have already had conversations about students going to buy their outfits. Prom is such a lovely celebration of their time here at Oaklands and we want the whole year group to attend. However attendance at the Prom is a privilege not a right and students who have not met our expectations may risk losing their place at this event, so it is important that we work together to ensure that all students are able to attend.

The Future

In the early part of this year, your child will start considering the direction they wish to follow after Year 11. We will be delivering a detailed programme to help them understand the strengths and benefits of various options available to them. I was delighted to see many of this year's cohort returning to our Sixth Form.

Our Sixth Form Open Evening is on Thursday 16th October, so please add this date to your diaries.

Finally

As the year moves towards the GCSEs, many students feel stressed and anxious. This is normal as exams are stressful, but much of this anxiety can be eased by encouraging good eating and sleeping habits, along with lots of moral and practical support from home. If there are any serious concerns, please encourage your child to talk to someone in school (their Form Tutor is a good first port of call) or contact us yourselves. Do not wait – the earlier we become aware of an issue, the more likely we are to be able to work together to resolve it.

As a reminder, I have included tutor emails below.

If you do have any other questions or concerns, please do not hesitate to contact Mrs Cunningham, Head of Year 11 – 21hoy@oaklandscatholicschool.org.

I appreciate there is a lot of information to take in here but please can I ask that you go through this with your child and we look forward to working with you all during this vital year. I will write to you again before half term.

Yours sincerely

Mrs A Bonnington
