Year 9 Assessment Week

Monday 10th November – Friday 14th November 2025: Timetable Week 2

Dear Parent/Carer,

May I take this opportunity to inform you that all students in Year 9 will be sitting examinations (in classrooms) during the week detailed above. Due to the fortnightly timetable we run, some assessments may take place in the week before or after; these are indicated at the foot of the timetable where relevant.

I am sure there is little need for me to stress the importance of these examinations as they will give students, parents, carers and teachers a clear indication of the progress being made in each subject. Equally, I am certain you will support the school in stressing to your son or daughter the importance of thorough preparation for these examinations. Support materials will be provided by subject teachers and placed on Teams/Class Charts in the coming weeks.

The timetable for the week is found on the reverse of this letter.

Yours sincerely,

Mr A Gorman

Assistant Head of School

Design Subjects: As the Design subjects are taught in a rotation throughout the year it is not very practical to test at a single point in the year. Instead, we use end of unit tests and on-going assessment of work, which is how GCSEs will continue to be assessed in these subjects.
