## Year 9 Core Assessment Week

**Tuesday 5<sup>th</sup> May – Friday 8<sup>th</sup> May 2026: Timetable Week 2**

Dear Parents/Carers,

I am writing to inform you that all students in Year 9 will be sitting examinations (in classrooms) under normal exam conditions during the week starting Tuesday 5th May. These assessments are designed to support students' progress and identify next steps in their learning. These exams will be in core subjects only, as students will begin their option subjects after the May half-term.

These examinations are important as they provide students, parents, carers and teachers a clear indication of the progress being made in each subject. We would appreciate your support in encouraging your child to prepare thoroughly for these examinations. Please help your child establish regular revision routines, monitor their progress, and make use of the support materials that will be provided by subject teachers on Microsoft Teams and Class Charts in the coming weeks.

The timetable for the week is found on the reverse of this letter.

Thank you for your continued support in helping your child to prepare well for these assessments.

Yours sincerely,

Mr A Gorman  
Assistant Head of School
