TEACHER OF COMPUTER SCIENCE

Teacher of Computer Science

Permanent, Full Time

(Part time considered for the right candidate)

**September 2026
MPS**

**Applications from ECTs
warmly welcomed**

**The ability to offer Mathematics
would be an advantage**

This opportunity is one that we hope will capture your enthusiasm and we would like to thank you for your interest in this post. On our website you will find our vision and strategy for the school, this underpins all the work we do; the Computer Science Department is key to fulfilling this.

The Governors are looking to increase the curriculum footprint of the Department and we are excited about bringing in new colleagues.

The ability to teach Mathematics would be desirable, but not essential.

For ECTs in their first year, we will provide additional support plus a further reduced timetable.

In this pack we have tried to ensure that you know something about Oaklands and Computer Science, at the same time making it clear that the Governors are looking for an **outstanding teacher** who can demonstrate **exceptional classroom practice**. You will be required to teach up to GCSE and ideally A Level.

Towards the end of this information you will find a link to the Application Form issued by the Governors regarding the post.

If you are a Catholic, you will understand the distinctiveness of Catholic schools such as Oaklands and this will be attractive to you. **You do not have to be a Catholic to work at Oaklands; the Governors welcome applications from candidates of differing faith backgrounds or none who can be supportive of the school ethos.**

This appointment comes with an opportunity to teach A Level Computing and this is an area of potential growth. Moreover, numbers opting to study GCSE are growing.

**Oaklands Catholic School
and Sixth Form College**

THE ROLE

The aim of the Computer Science Department is to equip students with the skills necessary for 'problem solving' in the real world. Through the theory and practical project, students will have a solid understanding of programming and how computers work.

Our intention for the Department reflects the whole school mission that 'no one gets left behind'. We do this by ensuring students:

- use the skills of computing effectively, safely, with purpose and enjoyment;
- use a range of different software and programming languages;
- become autonomous and independent users of technology, making full use of computing skills to support cross-curricular learning;
- use the National Curriculum as a guide to subject development to assist pupils in achieving high level computing skills;
- extend and enhance pupils learning across the curriculum through digital literacy skills;
- develop specific knowledge and understanding of computers, programming, IT systems and eSafety;
- develop each pupil's computational thinking.

We are keen to explore a greater range of clubs for coding, robotics, apps and games; and entry into competitions.

Staff at Oaklands are committed to being at the leading edge of teaching and learning, providing a first class experience for its students. For staff, a friendly and supportive environment helps ensure that classroom activities are of the highest quality. Teaching is informed by a strong culture founded on the knowledge of the student.

The successful candidate must have relevant and up-to-date knowledge in relation to working with and protecting children and young people. All staff at Oaklands are expected to display a commitment to the protection and safeguarding of children and young people.

We hope this information is useful. However, if there is any further way in which we can be of assistance, please do not hesitate to contact us at the school.

Richard Cunningham
Executive Headteacher

Amy Bonnington
Head of School

**Oaklands Catholic School
and Sixth Form College**

OUR JOURNEY

Oaklands is a Catholic Academy taking in boys and girls from 11-18, which has been established by the Diocese of Portsmouth for the education of Catholic children who live within the designated parish catchment area allocated to the school. In addition, Oaklands also takes in a number of children from other Christian denominations whose parents have specifically requested a Catholic education at the School, provided that they satisfy the criteria laid down in the Governors' Admissions Policy.

Oaklands has over 1,300 students on roll, including a Sixth Form College of 250 students. It is a well established comprehensive school, which is well supported by parents and highly respected in the community. Oaklands offers a full range of GCSE, AS and A Level courses. Students at all levels are provided with challenge and support as appropriate. The school's success is rooted in a strong academic tradition.

The school is part of a soft federation; working closely with other local schools, which provides an opportunity to share expertise and resources. The school was recently joined in the Edith Stein Catholic Academy Trust by Corpus Christi Catholic Primary School.

The school will provide you with significant opportunities to help you develop your career.

We are on an exciting and imaginative journey; creativity is the heart of the school's approach, resulting in innovative approaches to:

- teaching and learning – encouraging questioning, reflection and challenge
- literacy and numeracy – using all subjects to develop these core skills
- curriculum design – establishing a common approach to assessment
- use of data – supporting individual progress and personalising learning
- growing school of leaders – developing leadership at all levels
- School Improvement – empowering staff to take responsibility for areas of change

The school stands within attractive and extensive grounds including woodlands and playing fields. Well-equipped specialist facilities are provided for all areas of the curriculum. In recent years the school has undergone a major refurbishment in many areas.

**Oaklands Catholic School
and Sixth Form College**

PASTORAL CARE

The Chapel is a focal point the school's spiritual life. Oaklands is also fortunate enough to have a full-time Chaplain.

The aims of the school emphasise the importance of each student as an individual and the need to focus on and promote the spiritual, moral, intellectual, physical, social, personal and cultural development of each person entrusted to our care. To this end, the community endeavour to create a Christ-centred learning community whose primary aim is to ignite a passion for faith and learning. At Oaklands we recognise that students have special and different gifts, we aim to develop them in a climate where they can be shared and personal achievement can be maximised, where difference is not just tolerated but celebrated. Students need to work within an environment where they can develop their unique God given gifts and feel lovable, loved, capable and valued members of the community. This occurs within a warm and caring safe and open environment in which all children can grow in confidence and trust, and achieve their true all round potential.

The school also recognises its responsibility to foster a Christian atmosphere, to equip the young students in its care to face the adult world with confidence and to play a responsible

part in a society which is rapidly changing and holds a variety of different standards. This confidence is shaped through a deep understanding of the relationship between faith and culture. Students are encouraged to further their faith journey. To this end Religious Education, Form and Year Assemblies, Year Masses and Liturgical services, full School Masses, Residential Experiences and Community Service are all important aspects in the life of the school.

At Oaklands extra-curricular activities are an essential part of a young person's development and all students are encouraged to profit from the wide range of activities on offer. Whatever their talents and abilities, there are opportunities to succeed.

The successful pastoral system at Oaklands is built on the strong partnership between the school, home and parish enabling each student to flourish. We believe that parents have a key role to play in the education of their child. The Year Head and Form Tutors, through the pastoral curriculum at Oaklands, emphasise with students the importance of self-discipline and responsibility and also the importance of care, concern and respect for each other.

PERSON SPECIFICATION

We are seeking to appoint an enthusiastic and inspirational Teacher of Computer Science with a clear vision to continue the success of the Department in the school and to help pupils to develop their skills and knowledge in Computer Science to the highest possible level within and beyond the curriculum.

PERSON SPECIFICATION

Essential:

- Qualified Teacher Status or working towards
- A good degree in Computing or a closely related subject
- A passion for Computer Science as an academic discipline
- Recent participation in a range of relevant in-service school related training
- Be able to contribute to the distinctive nature of the school
- Outstanding subject skill and knowledge
- Good classroom management
- Prepared and able to teach to Advanced Level
- Excellent communication, organisation and listening skills

- Has up to date knowledge of relevant legislation and guidance in relation to working with, and the protection and safeguarding of children and young people.
- Effective contemporary teaching and learning strategies for Computing
- Excellent communication and interpersonal skills
- Stamina and resilience and ability to work under pressure
- Committed to personal development
- Confidence

The following would be desirable:

- Catholic
- Experience in a mixed comprehensive setting
- Understanding of national developments in post-16 settings
- Industry experience in programming, computing, robotics or AI
- Ability to teach Maths or another subject

WORKING FOR US

Ten Reasons why we think you might want this role at Oaklands

- Your teaching has already had a positive impact on students at KS3, KS4 or KS5
- You believe in working with a comprehensive mix of children to give them the best possible chance of success in life and are excited by the chance to work with an experienced team
- You are attracted to working in a school that can provide opportunities up to KS5
- You value young people and see them as unique, precious and unrepeatable
- You can see the value of how a close professional dialogue with colleagues can challenge and support you
- You like the idea of talking with colleagues about teaching and learning
- You are motivated by the thought of being a member of a team that delivers some of the results in Hampshire for a comprehensive school

- You know that you are good at building lasting professional relationships with students and understand that this is part of the foundation for successful learning
- You are excited by the chance to work collaboratively with other colleagues in other departments
- You want to use this position as a stepping stone to career advancement

Four reasons why you might not want to come and work for us (please look at the very last page)

- The match of your skills and experiences to our needs is not a good fit
- You are anxious about coming into a Catholic school (don't be)
- You have not taught in a school from KS3 – KS5.
- You feel you might not be ready to work in a high performing school

Oaklands Catholic School
and Sixth Form College

STAFF PROFILES

Head of History Department Hayley Short

I started teaching at Oaklands in 2019 as an NQT. As a new teacher, I was positively welcomed to the school and to the community Oaklands provides. Not only this, it was a brilliant school to help me develop as a newly qualified teacher, as I was able to learn alongside highly skilled and experienced colleagues. Although new, I was trusted with responsibilities within our History Department which helped me develop my skills within and outside the classroom.

I was then given additional responsibilities as Lead Pastoral Practitioner, working with KS4 Heads of Year to develop and promote positive student behaviour patterns. Within our thriving History Department, my ideas and training were strongly encouraged and in September 2024, I was appointed Head of Department. I can see myself working here for many, many years to come.

I really enjoy working in a Catholic School, the sense of community is unique, and ensures that you are working in a positive and caring environment; the importance and impact of faith on the lives of young people ensures that our students not only learn academically but also morally. Our school's traditions ensure that this school is so special. Our students are fantastic, and make me thankful to be a teacher.

If you would like to work here, you will be welcomed into our community and will be able to work in a lovely, wonderful school! I would recommend this to anyone.

Teacher of Maths Jodie Beauvoisin

My teaching journey started with my first phase of training at Oaklands. I was so drawn in by the school that I decided to come back and take a position in the Maths Department here which I started in 2019.

The thing that most made we want to teach at Oaklands is the sense of community. Every member of staff here is supportive of each other and supportiveness is the most valuable trait you can ask for as an NQT. This culture of support and treating everyone with kindness extends to the students who are polite and respectful to each other and their teachers and, in return, staff do everything they can to look after them when they are in need. I attribute this culture to the Catholic ethos of the school instilling a framework of morals where community is the heart.

In 2022, I was awarded a TLR for developing the Maths contribution to STEM Learning across the school. I have had the opportunity to work closely with our Science and Design Teams for Year 8 Challenge Week as well as helping to run the annual Year 9 Maths STEM day. I have also led two Mathematics Experience Residential Trips to Disneyland Paris.

I look forward to continuing my teaching career at Oaklands, hopefully taking on more responsibilities in the future, and learning new ways to make young people excited about Maths and learning.

Oaklands Catholic School
and Sixth Form College

APPLICATION PROCESS

A completed CES application form can be downloaded from the school website:

[Vacancies - Oaklands Catholic School and Sixth Form College](#)

Completed applications should be sent by email to:
s.mann@oaklandscatholicschool.org

or by post (marked 'Application' in the top left hand corner) to:

Mrs Sarah Mann
PA to the Headteacher
Oaklands Catholic School
Stakes Hill Road
Waterlooville
Hampshire
PO7 7BW

Please note on Page 11 of the application from you are required to complete a supporting statement.

Please note that incomplete applications will not be accepted.

Closing date:

Wednesday 13 May, 9.00am

Interviews:

Week beginning 18 May 2026

The candidate application form asks for three references. Normally one of these referees should be your current or most recent employer. Please see the details in the application form. We reserve the right to take up references with your previous employer.

In addition to asking your referee questions related to your suitability for the position we will make enquires into the following:

- Disciplinary procedures in relation to allegations of inappropriate conduct with children, including any in which the penalty is 'time expired' (that is where a warning could no longer be taken into account in any new disciplinary hearing for example)
- Whether the applicant has been the subject of any safeguarding concerns
- The outcome of any enquiry or disciplinary procedure
- If the candidate is not currently working with children but has done so in the past, his or her previous employer with children will be asked about those issues.

In accordance with safeguarding guidance the school will not consider 'Open References' from a candidate.

As part of the interview process all candidates may be required to:

- Teach a lesson
- Talk to students
- Participate in a panel interview

Preparation work in advance of the lesson will be required, and details will be provided prior to interview.

Early applications are welcome - the interview process may be staged and some interviews held in advance of the closing date if there is a large number of applicants for the role.

In accordance with Keeping Children Safe in Education 2025, Section 221, in our shortlisting process, we carry out an online search as part of our due diligence on shortlisted candidates. This may help identify any incidents or issues that have happened, and are publicly available online, which the school might want to explore with the applicant at interview.

Please visit our school website for more information about Oaklands and other recruitment documentation:

- Equality Act 2010

**Oaklands Catholic School
and Sixth Form College**

AND FINALLY

What about those FOUR reasons why this role might not be for you!

The match of your skills and experiences to our needs is not a good fit

Come and visit us, read the pack, phone Amy Bonnington, Head of School, and find out if the match is better than you think

You are anxious about coming into a Catholic school (don't be)

Again come and visit us, experience our community and talk to staff about their experience. The majority of staff at Oaklands are not Catholic

You have not taught in a school from KS3 -KS5

If you are not ready for this then we still want to hear from you. Most of our best staff had no Sixth Form experience before coming to Oaklands but with training and development, over time they gained the experience

You feel you might not be ready to work in a high performing school

If you are still reading, then you probably are
